OPERABLE UNIT (OU)-2C, MARINE CORPS AIR STATION (MCAS) EL TORO**

Dear Mr. Joyce:

On November 4, 1996, the Department of Toxic Substances Control (DTSC) sent you our comments and California Integrated Waste Management Board comments on the above subject document dated October 1996. Please send as responses to the comments to avoid delaying approval of the Feasibility Study (FS) report and the beginning of the preparation of the Proposed Plan for the site. The response should be sent before or with the revised FS due next month.

Thank you for your cooperation. If you have any questions, please call me at (562) 590-4891.

Sincerely,

Tayseer Mahmoud
